ORDER ON THE
 INJUNCTIVE RELIEF
 CLASS
 CERTIFICATION
 SCHEDULE

(Docket No. 227)

 11 The matter comes before the Court on the parties' stipulation
 12 to reset the briefing schedule and hearing date on the motion for
 13 injunctive relief class certification. (Docket No. 227). The
 14 stipulation alludes to expert reports that Plaintiffs may file
 15 with their reply brief and to Defendants' anticipated objections
 16 thereto. It appears that the current hearing date can be
 17 maintained unless Plaintiffs file expert reports and Defendants do
 18 not successfully object, in which case Defendants will be granted
 19 leave to file a surreply.

20 Accordingly, Plaintiffs' joint reply brief shall be due June
 21 26, 2015. If Plaintiffs do not submit any expert reports with
 22 their reply, the motion hearing shall remain set for July 23,
 23 2015. If Plaintiffs submit any expert reports with their reply
 24 brief and Defendants wish to object to the reports' admission,
 25 such objection shall be due by July 6, 2015. Plaintiffs may
 26 respond to Defendants' objection by July 10, 2015. If the Court
 27 sustains Defendants' objection the motion hearing shall remain set
 28 for July 23, 2015. If Defendants do not object or if the Court

1 does not sustain Defendants' objection, the Court will grant
2 Defendants leave to file a surreply on or before August 20, 2015
3 and the motion hearing shall be reset for October 1, 2015. If the
4 parties have a conflict with the October 1, 2015 hearing date,
5 they may stipulate to a hearing date of: September 10, 2015;
6 September 24, 2015; or October 29, 2015.

7 IT IS SO ORDERED.
